1. Introduction

The government has made it a national priority that education and childcare settings should continue to operate as normally as possible during the COVID-19 pandemic.

Measures affecting education and childcare may be necessary in some circumstances, for example:

- to help manage a COVID-19 outbreak within a setting,
- if there is extremely high prevalence of COVID-19 in the community and other measures have failed to reduce transmission,
- as part of a package of measures responding to a Variant of Concern (VoC).

This document is the Outbreak Management Plan for Allerton Bywater Primary School and outlines how we will operate if any of the measures described in this document below were recommended for our setting or area. This includes how we will ensure every child, pupil or student receives the quantity and quality of education and care to which they are normally entitled.

Allerton Bywater School is a Primary, operating across 1 site. Our cohort of pupils ranges from 3 years to 11 years old. We are part of the Brigshaw Learning Partnership Multi-Academy Trust

2. Principles

2.1 Prioritising education.

The impacts of having missed education during the pandemic are severe for children, young people and adults. In all cases, any benefits in managing transmission will be weighed against any educational drawbacks. In making decisions we will endeavour to keep any measures to the minimum number of settings or groups possible, and for the shortest amount of time possible.

We will keep all measures under regular review, and lift them as soon as the evidence supports doing so. Measures affecting education and childcare settings across an area will not be considered in isolation, but as part of a broader package of measures.

We will only consider attendance restrictions as a last resort. Where measures include attendance restrictions, we will contact the Department for Education (DfE) and / or our Local Health Protection Team in conjunction with LCC for advice on any groups that should be prioritised.

The government have advised they will try to give as much notice as possible of any changes to the way settings should operate.

2.2 Collaboration and guidance.

We recognise that multi-agency collaboration and communication is important in ensuring consistency in approach across England wherever issues occur, so that no group of children, pupils or students is unfairly disadvantaged. We understand that LCC, their Director of Public Health and DfE's regional school commissioners will maintain close working relationships through their regional partnership teams (RPTs).

We recognise that where decisions about measures in education and childcare settings are made at a national level, DfE will work with the DHSC, NHS Test and Trace, the Chief Medical Officer, PHE and other government departments, as well as relevant local authorities and directors of public health.

We will continue to seek / follow the guidance from:

- DfE, DHSC, NHS and PHE,
- The COVID-19 Contingency Framework: Education and Childcare June 2021.
- LCC's Public Health, HSWT and Children's Services teams.

3. Managing potential outbreaks and contingency measures

3.1 Managing Positive Cases.

We will continue to manage positive cases amongst our school community by:

1. keeping records of positive pupil, staff and visitor cases and tracking potential outbreaks,
2. notifying LCC of positive cases via the PCIF01 form,
3. contacting the DfE Helpline, LHPT and / or LCC HSWT if we need advice about isolated cases,
4. contacting the DfE Helpline for advice if we suspect we have an outbreak,
5. informing parents / carers and staff of positive cases

This plan outlines how we will operate if we are advised to instigate any of the measures below for our setting / area either locally or nationally by DfE, DHSC, PHE, NHS, or LCC. This plan covers:

- limiting attendance and widening remote learning,
- re-introducing bubbles,
- widening testing or on site testing centres,
- re-introducing face coverings,
- re-introducing shielding,
- limiting residential educational visits, open days, transition or taster days, parental attendance, performances,
- free school meals if attendance is limited,
- safeguarding and designated safeguarding leads, and
- vulnerable children and young people.

3.2 Limiting Attendance.

We will only consider attendance restrictions as a last resort and following DfE and / or public health advice. If attendance restrictions are advised across an area, we understand the government will publish detailed operational guidance for settings which we will follow.

We will continue to provide high-quality remote education for all pupils or students not attending site.

In all circumstances, we will give priority to vulnerable children and young people and children of critical workers to attend to their normal timetables as far as possible.

The following details the potential attendance limitations we may face and who will be given priority to attend.

***Early Years** - vulnerable children and children of critical workers will be allowed to attend.

***Primary age pupils** - if some attendance restrictions are needed, all vulnerable children, children of critical workers, children in reception, year 1 and year 2 will still be eligible to attend. If attendance is restricted further, only vulnerable children and children of critical workers will still be eligible to attend.

3.3 Re-introducing Bubbles.

If advised to re-instate bubbles by public health and / or DfE we will evaluate staffing and pupils needs and re-instate the bubbles and the control measures previously used in school to keep bubbles separate wherever possible. Details of our previous bubbles and control measures can be found on our school website

If this is not possible we will seek advice from our Local PHT, DfE and / or LCC HSWT if needed as to appropriate alternative bubbles and control measures for keeping bubbles separate.

3.4 Widening testing or on site testing centres. *

*** All other settings** - if advised to by public health or DfE we will increase the use of home testing by staff.

3.5 Re-introducing face coverings.

*** All other settings** - if advised to by public health or DfE we will temporarily re-instate the wearing of face coverings more widely and this may include communal areas and/or classrooms for staff and visitors.

3.6 Re-introducing shielding.

Shielding is currently paused. In the event of a major outbreak or Variant of Concern (VoC) that poses a significant risk to individuals on the shielded patient list (SPL), we understand that shielding can be reintroduced by national government. If this occurs we will identify our staff and pupils who are on the shielding list and review their individual risk assessments to

4

determine if it is safe for them to be in school, if they should be working / learning from home and / or if there are any other control measures required.

3.7 Limiting residential educational visits, open days, transition or taster days, performances, and parental / visitor attendance on site.

Educational Visits - we will seek / follow the advice from public health, DfE and / or LCC HSWT to determine if visits are safe and appropriate to undertake or need postponing in the event of a VoC, high levels of cases in the community or a serious outbreak in the school. We will reflect any attendance restrictions in the visits risk assessment and only children who are attending the setting will go on an educational visit.

Open days, transition events and performances - we will seek / follow the advice from public health, DfE and / or LCC Health, Safety and Wellbeing Team (* add others as required) to determine if activities are safe and appropriate to undertake or need postponing in the event of a VoC, high levels of cases in the community or a serious outbreak in the school. We will assess if the activities can be done virtually / remotely without on site attendance from visitors.

Parental / visitor attendance on site – in the event of the event of a VoC, high levels of cases in the community or a serious outbreak in the school we may limit access to the site for parents/carers and visitors to essential visits only.

3.8 Free school meals if attendance is limited.

If attendance is limited we will provide assistance to children eligible for free school meals who are not able to attend site via Pinnacle Catering or School meal voucher systems as appropriate

3.9 Safeguarding and designated safeguarding leads.

If attendance is limited we will work with our local safeguarding partners to be vigilant and responsive to all safeguarding threats with the aim of keeping vulnerable children and young people safe, particularly as more children and young people will be learning remotely. We will continue to have regard to any statutory safeguarding guidance that applies to us and will review our child protection policy so that it reflects any local restrictions and remains effective.

We will endeavour to ensure a trained DSL (or deputy) is available on site. Where this is not possible we will ensure that we have a senior leader on site who will take responsibility for co-ordinating safeguarding. We will also:

- have a trained DSL (or deputy) available to be contacted via phone or online video, or
- share a trained DSLs (or deputies) with other schools who will be available to be contacted via phone or online video.

3.10 Vulnerable children and young people.

Where vulnerable children and young people are absent and should be attending, we will:

- follow up with the parent or carer, working with LCC and social worker (where applicable), to explore the reason for absence and discuss their concerns,
- encourage the child or young person to attend educational provision, working with LCC and social worker (where applicable), particularly where the social worker and the Virtual School Head (where applicable) agrees that the child or young person's attendance would be appropriate,
- focus the discussions on the welfare of the child or young person and ensuring that the child or young person is able to access appropriate education and support while they are at home, and
- have in place procedures to maintain contact, ensure they can access remote education support, as required, and regularly check if they are doing so.

If we must temporarily stop onsite provision on public health or DfE advice, we will discuss alternative arrangements for vulnerable children and young people with LCC.

4. Risk Assessment and action plan.

4.1 Risk Assessment.

If we need to instigate any of the measures in this plan, we will amend our current Covid-19 risk assessment. We will publish the amended risk assessment on our school website.

4.2 Action Plan.

Appendix A details our action plan to support the different measures in this Outbreak Management Plan.

Appendix A – Action Plan for the measures in the Outbreak Management Plan.

Measure required	How we will action How we will inform / consult
<p>Limiting attendance</p> <ol style="list-style-type: none"> 1. Identify pupils eligible to attend and first aid / medical / SEND needs. 2. Identify staff needed on site. 3. Identify staff to undertake remote learning. 4. Discuss with our catering providers any catering changes needed and instigate scheme for pupils eligible for free school meals who are not attending site. 5. Inform dedicated home to school transport providers of any pupils they usually transport who will not be attending site. 	<ol style="list-style-type: none"> 6. Identify any vulnerable children and young people not attending and put in place arrangements for support. 7. Identify whether DSL are on site / working remotely or shared with another school. In the absence of a DSL on site identify a senior leader on site who will take responsibility for co-ordinating safeguarding. 8. Inform LCC. 1. Parents / carers via Class Dojo and pupils via Class Dojo 2. Staff via Google Mail and Google Chat 3. Catering via Helpdesk email 4. Transport via email . 5. LCC via DCS Alert DCSAlert@leeds.gov.uk (for vulnerable children). <p>6</p>
<p>Bubbles</p>	<ol style="list-style-type: none"> 9. Amend Covid-19 risk assessment. 1. Identify bubbles and control measures to keep them separate following our previous groupings / controls, or 2. Assess and identify alternative bubbles / control measures. 3. Discuss with our catering providers any catering changes needed. 4. Provide signage if re-introducing one way systems, separate entrances etc... 5. Inform LCC. 6. Amend Covid-19 risk assessment. <ol style="list-style-type: none"> 1. Parents / carers via and pupils via Class Dojo 2. Staff via Google Mail & Google Chat 3. Catering via Pinnacle Helpdesk email 4. LCC via DCS Alert DCSAlert@leeds.gov.uk

<p>Widening testing – increasing home testing</p>	<ol style="list-style-type: none"> 1. Identify staff and / or pupil groups who will be asked to increase home testing. 2. Identify contractors and visitors who may be asked to increase home testing e.g agency staff, catering, cleaning staff, transport staff and regular volunteers. 3. Identify how test results will be notified to school and recorded and by whom. 4. Ensure adequate supplies of tests. 5. Inform LCC. 6. Amend Covid-19 risk assessment. 	<ol style="list-style-type: none"> 7. Parents / carers via and pupils via Class Dojo 8. Staff via Google Mail & Google Chat 9. Catering via Pinnacle Helpdesk email 10. LCC via DCS Alert DCSAlert@leeds.gov.uk
<p>Widening testing – on site test centre</p>	<ol style="list-style-type: none"> 1. Identify a suitable area for expanded on site testing. 2. Set up as previously following PHE guidance on the school's portal. 3. Ensure adequate supplies of tests, PPE and cleaning products. 4. Train / re-fresh training for staff working in the test site. 5. Inform LCC. 6. Amend Covid-19 risk assessment. 	<ol style="list-style-type: none"> 7. Parents / carers via and pupils via Class Dojo 8. Staff via Google Mail & Google Chat 9. Catering via Pinnacle Helpdesk email 10. LCC via DCS Alert DCSAlert@leeds.gov.uk 11.
<p>Face coverings</p>	<ol style="list-style-type: none"> 1. Identify areas face coverings should be worn. 2. Identify staff, pupils and regular visitors / contractors who should wear face coverings. 3. Obtain a supply of face coverings as a backup in case people forget. 4. Remind users how to safely use face coverings. 5. Put up signage at entrances to remind people to wear a face covering. 6. Inform LCC. 7. Amend Covid-19 risk assessment. 	<ol style="list-style-type: none"> 1. Parents / carers and pupils via Class Dojo 2. Staff via Google Meet / Chat / Drive 3. Catering via helpdesk email 4. Transport via LCC email 5. Cleaning via helpdesk email 6. Contractors / visitors by helpdesk email 7. LCC via DCS Alert DCSAlert@leeds.gov.uk

Shielding	<ol style="list-style-type: none"> 1. Identify which staff and pupils are now shielding (previous information will assist in this). 2. Assess which staff and pupils will be able to be in school. 3. Carry out or review the WASP / IPRA for staff and pupils who are shielding. 4. Make arrangements for shielding persons to work / learn from home as necessary. 	<ol style="list-style-type: none"> 11. Parents / carers via and pupils via Class Dojo 12. Staff via Google Mail & Google Chat 13. Catering via Pinnacle Helpdesk email 14. LCC via DCS Alert DCSAlert@leeds.gov.uk
-----------	--	--

	<ol style="list-style-type: none"> 5. Make arrangements for additional control measures if working / learning from the school site. 6. Discuss with catering providers any catering changes needed and instigate scheme for pupils eligible for free school meals who are not attending site. 7. Inform dedicated home to school transport providers of any pupils they usually transport who will not be attending site. 8. Identify any vulnerable children and young people not attending and put in place arrangements for support. 9. Identify whether DSL are on site / working remotely or shared with another school. In the absence of a DSL on site identify a senior leader on site who will take responsibility for co-ordinating safeguarding. 10. Amend Covid-19 risk assessment.
--	---

Remote Education	1. Identify which pupils will need remote education.	1. Parents / carers via Class Dojo
	2. Identify which staff will deliver / oversee remote education.	and pupils via parents .
Parental / Visitor attendance on site	3. Instigate remote education systems.	2. Staff via Google meet / drive/ chat
Educational Visits	1. Identify what restrictions are needed and who it will affect.	1. Parents / carers via Class Dojo
	2. Amend Covid-19 risk assessment.	and pupils via parents
		2. Staff via Google Meet / Drive/ Chat
		3. Contractors / visitors by information on entry
	1. Assess if it is still safe to carry out the visit / if it needs amending / needs cancelling or postponing.	1. Parents / carers and pupils via Class Dojo
	2. Assess and make arrangements for any new requirements for international travel and return to England.	2. Staff via Google Suite
	3. Identify which pupils and staff can attend if school attendance is restricted / shielding is in place.	3. Educational Visit via Evolve.
	4. Amend the visit risk assessments or postpone / cancel the visit.	
	5. Amend Evolve.	
On site Events	1. Assess if it is still safe to carry out the event / if it needs amending / needs cancelling or postponing.	1. Parents / carers and pupils via Class Dojo
	2. Identify which pupils and staff can attend if school attendance is restricted / shielding is in place.	2. Staff via Google Suite
	3. Identify if parents / carers / visitors can attend.	3. Contractors / visitors by email
	4. Assess if the activities can be done virtually / remotely without onsite attendance from visitors.	
	5. Amend the event risk assessments or postpone / cancel the event.
