Aims

Brigshaw Learning Partnership believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The school expects every child of the school community to behave in a considerate way towards others developing confidence, self control and self esteem.

This policy supports the whole school community in aiming to allow everyone to learn together in an effective and considerate way.

We are committed to:

- Promoting desired behaviour.
- Providing a consistent approach to behaviour management
- Promoting self-esteem, self-control, proper regard for authority, and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour choices
- Challenging and having consequences for poor behaviour choices
- Providing a safe environment, free from disruption, violence, discrimination, bullying and any form of harassment.
- Encouraging positive relationships with parents/carers.
- Developing relationships with our pupils to enable early intervention.
- A shared approach which involves pupils in the implementation of the school's policy and associated procedures.
- Promoting a culture of praise and encouragement in which all pupils can achieve.
- Listen
- Safeguarding all individuals
- Promote a "catch you being good" curriculum

We also believe that all adults and children at Allerton Bywater Primary School should have the opportunity to develop self-esteem, moral values, respect and tolerance. The whole school positive relationship policy for behaviour is based upon this and also takes the following points into account:

- Principles of effective school behaviour management which involve the whole staff
- A code of conduct which is clear and understood by every member of the school
- A reward system which recognizes, responds to and rewards good behaviour
- A system of sanctions for children who do not respond to the code of conduct
- Routines throughout the school which require appropriate behaviour
- Classroom organisation which fosters co-operation, individual responsibilities and independence.

Rights and Responsibilities

CHILDREN - Every child has the right to be safe, secure and valued as an individual. Each child is taught to understand that rights carry responsibilities:

- The right to be valued – the responsibility to value others.
- The right to have belongings safeguarded – the responsibility to respect the belongings of others.
- The right to be taught effectively – the responsibility to enable others to be taught.

PUPILS are taught that different behaviours are appropriate at different times and in different situations but that inappropriate behaviour will not be tolerated. Wrong choices will be challenged fairly and calmly. The children are also taught the skills to learn through the Characteristics of Effective Learning in the Early Years and through the PLTs from Y1 to Y6. Where possible restorative practices will be used as part of the reflection process with the children.

- 1.1 ADULTS - Children learn by example. It is therefore the responsibility of all adults in school to share the whole school approach to positive behaviour. All members of the school community have been involved in the creation of this policy and have agreed to its implementation. The policy is reviewed frequently, responding to changes in personnel and the needs of pupils. It is the responsibility of all adults in school to refer regularly to the Allerton Bywater Code in order to promote good behavior.
- 1.2 PARENTS - In order to understand how positive behaviour operates within school and how it can be supported at home, a summary of the policy will be published in the prospectus. All parents are required to sign a home-school agreement, supporting the implementation of our relationship policy and taking responsibility for their child's behaviour.
- 1.3 GOVERNORS – Parent governors are an important two-way link between home and school and should play a vital role in modelling the policy and in making other parents fully aware of the school's behaviour policies and functions.

1. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools 2016](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

The policy works with the special educational needs and disability (SEND) code of practice

This policy complies with our funding agreement and articles of association.

2. Key roles and responsibilities
