

September 2020

Dear Parents and Carers,

Please find attached a rather slimmed down calendar for this academic year. Due to Covid restrictions, there are a lot of changes and alterations that have had to be implemented. I have added national events for the year that we will endeavor to be involved in. At the start of each half term, we will email out any additions and alterations based on current government guidance and restrictions that we have to put in place.

For events like parents evening, Christmas concerts and end of year activities we are investigating online and/or virtual activities but these will all be confirmed closer to the date.

It is very frustrating that we can't share the school events for the year or may not be able to hold the normal events and we will do what we can to ensure the special times in school are still special for the children.

Kind Regards

Richard Cairns
